Bahamas Automotive Technical College was established in 1991 and has been in operation for over 30 years. It is the first private institute in the Bahamas to teach professional auto-mechanics.

Bahamas Automotive Technical College is equipped with modern computers and equipment.

Bahamas Automotive Technical College was founded by Mr. Humphrey L. McPhee.

Bahamas Automotive Technical College teaches the following courses:

GAM Levels 1, 2 & 3 (General auto-mechanics).

We recommend that you do all three of these courses and in order; but if you only want to do only one or two that's OK, but you will not be eligible to take any of the ASE specialist courses.

GAM 1, 2, & 3: These cover the 1st year of training at the college, which is three semesters. Each semester is three (3) months. Each semester you will study a different course:

Semester 1:

Fundamentals & maintenance

Semester 2:

Systems operation & practical repair

Semester 3

Electrical, general troubleshooting & diagnostics

Completing the 1st year (GAM 1, 2 & 3) will make you a good Auto technician but if you want to specialize you have to do the **ASE courses**.

ASE Levels 1 - 8 are the specialty courses where you specialize in different areas of the automobile.

- A1 Engine repair
- A2 Automatic transmission repair
- A3 Manual transmission repair
- A4 Suspension and steering repair
- A5 Brakes repair
- A6 Electrical systems repair
- A7 Automotive air-conditioning
- A8 Engine performance diagnostics
- C1 Service advisor (Front desk operation)
- L1 Advance engine performance specialist
- P2 Parts specialist

Fees:

The fees include your own personal work station which includes the use of a laptop, printer, ink for the printer and a pack of copy paper.

The \$50.00 is the professor fee which is weekly.

Semester 1 - Startup fee \$350.00 + \$50.00 weekly

Semester 2 - Startup fee \$400.00 + \$50.00 weekly

Semester 3 - Startup fee \$450.00 + \$50.00 weekly

ASE Fees - Startup fees \$500.00 + \$50.00 weekly (3 months for each course) you can chose any individual course or group of courses.

(ASE – means Automotive Service Excellence) www.ase.com

The ASE organization is responsible for the certification of professional automotive technicians in the United States and internationally.

Class schedules:

You can choose your own hours (from 9:00- am to 9:00- pm).

You will get 8 hours of training per week and you choose the day (s) and time.

You can come all day for one day, or two half days four hours each day, or four days two hours each day.

If you want to shorten the overall time you spend in school, you can purchase more time in blocks of 8 hours a week and you pay an additional \$50 to get an extra 8 hours.

The school is open Monday through Friday from 9am -9pm.

Requirements to attend BATC:

Students must be a high school graduate, computer literate, possess a clean police character report, three references and pay applicable school fees.
